INSTRUCTIONS AND REQUIRED DOCUMENTS

INSTRUCTIONS

1. The Community Development office will accept no application unless completely filled out and submitted with all required documents.

2. Please call (678)631-5355 for current Zoning and Land Use information before completing the application.

3. Appointments are required to submit an application to the Community Development Office. Please call Rusty Martin at (678)631-5354 regarding application questions and to schedule an appointment for submittal.

4. Revisions to the application must be received no later than seven (7) calendar days prior to the Planning Zoning Board hearing or the Mayor and Council hearing.

5. The City will provide and post signs on or near the right-of-way of the nearest public street, seven (7) days before the Planning and Zoning Board meeting. It is the responsibility of the applicant for the signs to remain posted throughout the advertising period.

6. Applicant or agent for applicant must attend the Planning and Zoning Board meeting and the Mayor and Council hearing, or the case will not be heard. If the applicant wishes to table or withdraw a rezoning request, notification must be presented in writing to the Community Development Office and the City Clerk’s Office no later than five (5) business days prior to the Planning and Zoning Board meeting or the Mayor and Council meeting.

7. The Mayor and City Council will table rezoning proposals that undergo a major plan change after leaving the Planning and Zoning Board. The rezoning will be sent back to the Planning and Zoning Board to start the rezoning process over again with another $500.00 re-filing fee assessed.

REQUIRED DOCUMENTS

1. One (1) completed original application with all required supplemental documentation (items #5 - #15 below). The signatures of all titleholders and applicant are required on original rezoning application.

2. Five (5) copies of the original application and all supplemental documentation.

3. Submit one (1) flash drive containing all documents in either PDF or Word format (as appropriate). Each digital document shall be provided individually as opposed to summing all documents as one file (i.e. There shall be separate digital files for the zoning application, legal description, warranty deed, etc...).

4. Completed rezoning application with the signatures of all titleholders and applicants.

5. A copy of the deed that reflects the current owner(s) of the property. If the application consists of several tracts, a deed of each tract is required.

6. A current legal description of the subject property. If the application consists of several tracts, a legal description of each tract is required along with an overall description of the combined tracts. No legal description should include more property than what is being requested for rezoning. The legal description must be submitted digitally in Word Format.

7. A copy of the paid tax receipts (City and County) for the subject property or a statement signed by an official in the Tax Commissioner’s Office. If the application consists of several tracts, a copy of the paid tax receipts of each tract is required.

9. If the property is or will be on a septic tank, contact the Cobb County Health Department. Approval must be obtained prior to the filing of the application for rezoning.

10. Provide a set of building elevations and floor plans for each proposed building, along with a description of exterior wall coverings and finishes to be used. These shall be either 8 ½” x 11” or 11” x 17”.

11. Provide both a full-sized scaled survey of the existing property and a 11”x17” copy of the survey by a registered engineer, architect, land planner, or land surveyor currently registered in accordance with applicable state laws. Plans must be stamped and folded (full sized scaled plans shall be engineer folded).
12. Provide both a full-size scaled conceptual site plan and a 11” x 17” copy of that plan by a registered engineer, architect, land planner, or land surveyor currently registered in accordance with applicable state laws. **Plans must be stamped and folded (full sized scaled plans shall be engineer folded).**

****The conceptual site plans must show property & lot dimensions, adjoining streets with right-of-way (present and proposed), paving widths, curb radii, the exact size and location of all buildings along with the intended use, buffer areas, parking areas and spaces, stormwater management facilities, lakes, streams, utility easements, limits of 100-year flood plain, retaining walls, adjoining property owners, zoning of adjoining property, street address, location of all curb cuts inside & outside the development (including curb cuts on all adjacent and adjoining properties) and distance to the nearest street intersection. **Plans which are rolled (instead of individually folded) will not be accepted.**

13. Sub-division plats must have a legend showing lot density for the total acreage, minimum building setbacks, minimum lot size, average lot size and maximum lot size. In addition, provide a table listing the square footage of each proposed lot.

14. A preliminary hydrology study for the proposed tract(s).

15. Provide both a full-size scaled Tree Protection Plan and a 11” x 17” copy of the Tree Protection Plan. **A registered landscape architect must prepare the Tree Protection Plan.** The Tree Protection Plan shall meet the City’s requirements under Section 106-36 of the City’s Code of Ordinances (Chapter 106 – Tree Conservation Ordinance). **Plans must be stamped and folded (full sized scaled plans shall be engineer folded).** **Plans which are rolled (instead of individually folded) will not be accepted.**

16. A development that exceeds 100,000 net square feet or 75 dwelling units will be required to submit a traffic, water, sewer, and school impact statement with the rezoning application. A development that is less than 100,000 net square feet or 75 dwelling units may be required to submit one or all of the above statements upon request of the City Engineer or the Department of Community Development. A final decision, by the Mayor and City Council, may not be made until these statements are received with the rezoning application. For impact information about traffic, contact City Engineer’s office at 678-631-5381. For School System information, contact the Cobb County Board of Education.

17. Any large development that exceeds the minimum thresholds for a Development of Regional Impact (DRI) review must complete that review prior to moving forward with the zoning request. The minimum development thresholds for DRI review can be found at [https://atlantaregional.org/community-development/comprehensive-planning/developments-of-regional-impact/](https://atlantaregional.org/community-development/comprehensive-planning/developments-of-regional-impact/). Once a completed rezoning package is received by Smyrna’s Community Development Office, an Initial DRI Information form will be prepared by the office and
submitted to the Atlanta Regional Commission, Georgia Regional Transportation Authority, and Georgia Department of Community Affairs to determine whether or not the proposed development should be processed as a DRI. If the proposed development is determined to be a DRI, then a DRI Review Initiation Request form shall be prepared by Smyrna’s Community Development Office and submitted along with any requested information. No rezoning action can be taken by the City until all state agencies have completed their review and comments.

REZONING ANALYSIS

Section 1508 of the Smyrna Zoning Code details nine zoning review factors which must be evaluated by the Planning and Zoning Board and the Mayor and Council when considering a rezoning request. Please provide responses to the following using additional pages as necessary. This section must be filled out by the applicant prior to submittal of the rezoning request.

1. Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property.

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

2. Whether the zoning proposal or the use proposed will adversely affect the existing use or usability of adjacent or nearby property.

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

3. Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned.

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
REZONING ANALYSIS (CONTINUED)

4. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities or schools.

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

5. Whether the zoning proposal is in conformity with the policy and intent of the land use plan.

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

6. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

REZONING ANALYSIS (CONTINUED)

7. Whether the development of the property under the zoning proposal will conform to, be a detriment to or enhance the architectural standards, open space requirements and aesthetics of the general neighborhood, considering the current, historical and planned uses in the area.

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

8. Under any proposed zoning classification, whether the use proposed may create a nuisance or is incompatible with existing uses in the area.

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

9. Whether due to the size of the proposed use, in either land area or building height, the proposed use would affect the adjoining property, general neighborhood and other uses in the area positively or negatively.
