RFP 19-019 – Transit Analysis & Feasibility Study (TAFS)

RFP DUE DATE: Friday, March 29, 2019 at 10:00 AM

ADDENDUM 1

The contents of this Addendum are fully incorporated into the original RFP.

Please see Answers to Questions received.

- 1) The RFP's information on the Statement of Qualifications requests submittal of a work plan and indicates that it should include "estimated hours by category for each task." Basically, this appears to be a task-level budget without the application of staff category hourly rates. Is this a correct interpretation? If not, please provide clarification. If so, should the work plan be included in the main body of the proposal or in the separate sealed envelope with the proposal cost form?

Please use the attached Proposed Project Budget form to assist in your cost proposal. Include this form and the Proposal Cost Form in the separate sealed envelope.

- 2) Is April 15th the week to reserve for possible interviews?

We anticipate interviews to be the week of April 15. If there is any change, we will give as much notice as possible.

Thank you,

Kelly Brown
