City Wide Resurfacing  
RFQ 20-001  
ADDENDUM #2

1. There is a concrete patch located on Honeysuckle Drive, is this to be milled and overlaid or milled around and tied into?  
a) Milled and overlaid.
  
2. According to Addendum #1 the City will be responsible for lowering manholes and covering with GAB before the Contractor mills and paves the roadway, I understand that the Contractor is required to maintain the GAB placed but will it also be the City's responsibility to raise manholes ( if necessary) after the Contractor completes paving?  
a) Yes
  
3. Can the requirement for the contractor's license be removed?  
a) Per the Georgia's State licensing board you may bid as a Specialty Contractor.
